

MORE TO do

Follow steps 1-4 above. Let the children create their own FrankenMonsters to take home by gluing the pieces of their own bodies to construction paper.

Music and Movement: Play a rousing game of "Hokey Pokey"!

DESCRIBE A GOBLIN

ART

MATERIALS

markers and crayons
paper

WHAT TO do

- Halloween is celebrated on October 31st.
1. Ask the children to describe a goblin.
 2. Record their answers.
 3. Have them draw a goblin and share it with the other children.
 4. Put all the pages together to make a classroom goblin book

SPOOKY SPIDERS

ART

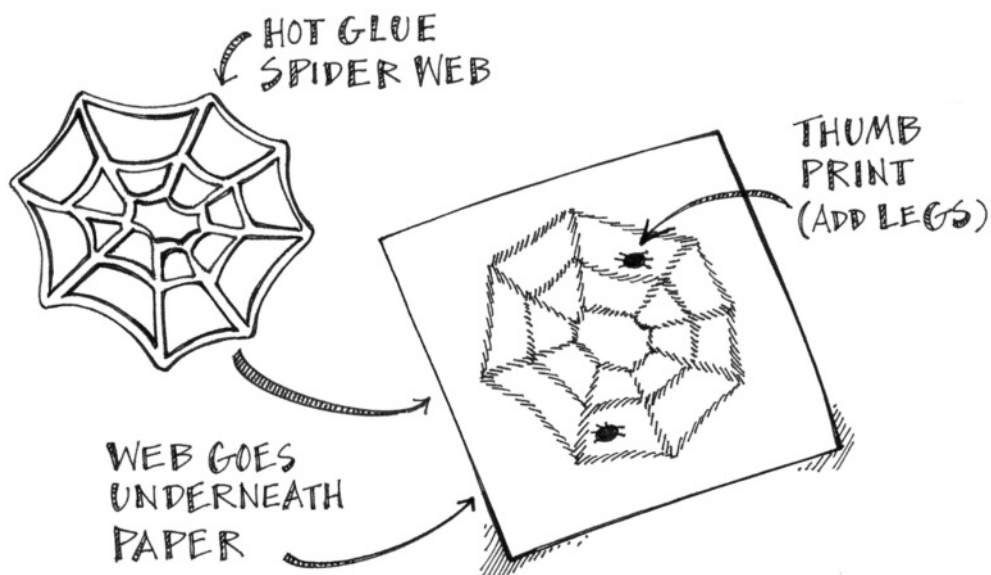

MATERIALS

hot glue gun (adult only)
card stock or file folders
paper
orange and black crayons
black stamp pad

WHAT TO do

- Halloween is celebrated on October 31st.
1. Ahead of time, use a hot glue gun to form different shaped spider webs on card stock or file folders and allow them to harden and dry.
 2. Let each child pick a web. Have them place a blank sheet of white or manila paper on top of the glue and use black and orange crayons to rub across the paper until the web appears on their paper.
 3. After they are satisfied with their webs, have the children stamp their thumbs on the web using black stamp pad.

4. Encourage the children to draw legs coming from the thumb stamp, forming a spider inside a spooky web.
5. As a variation, have the children use regular glue to form their own webs. Allow a day for the glue to dry, and then proceed as above. This takes a little more time, but the children will get their own "one-of-a-kind" webs.

Halloween Dress Up

DRAMATIC PLAY

MATERIALS costumes and dress-ups

- WHAT TO DO**
- Halloween is celebrated on October 31st.
 - 1. Invite the children to dress up and pretend to go trick-or-treating in the classroom and to other classrooms.
 - 2. Do this after Halloween so the children can play out their experiences.

MORE TO DO **More Dramatic Play:** Have a Halloween Fashion Show. Encourage the children to take turns modeling Halloween fashions. Let children take turns describing the costumes. Use a cylinder block for a microphone.
